

Here for you when you need it most

No matter where you are on your cancer care journey, these resources are designed to help you and your family at no additional cost.

Cancer support resources available to you

Cancer Support Program

The UnitedHealthcare Cancer Support Program (CSP) connects you with a specially trained oncology nurse. Your nurse can help you navigate treatment options, find a Center of Excellence (COE) provider, answer questions about symptoms and side effects, and more.

Call: 1-877-214-2930

Visit: myuhc.phs.com/cancerprograms

2nd.MD

Before you start treatment, it may be a good idea to get a second opinion. Connect directly with board-certified, leading doctors for an expert medical consultation via phone or video.

Call: 1-866-269-3534

Visit: 2nd.MD/dukeenergy

Employee Assistance Program

Cancer can wear on your mental as well as your physical health. Duke Energy's Employee Assistance Program (EAP) partners with **Spring Health** to provide personalized care and resources to support your and your family's mental health through any of life's challenges.
